

Top 5 Berlin AI & Tech Instagram Bloggers

Manus AI × Instagram — Verified Ranking

Berlin, Germany · AI & Technology creators · Snapshot: 13 August 2026

1 Overview

This concise ranking identifies five Berlin-based individual creators operating across AI, consumer technology, software, Apple news, and digital workflows. Profiles are ordered solely by the Instagram follower count visible at the time of review.

Combined audience

305,481

Top profile

@iliasbsd

Ranking basis

Followers

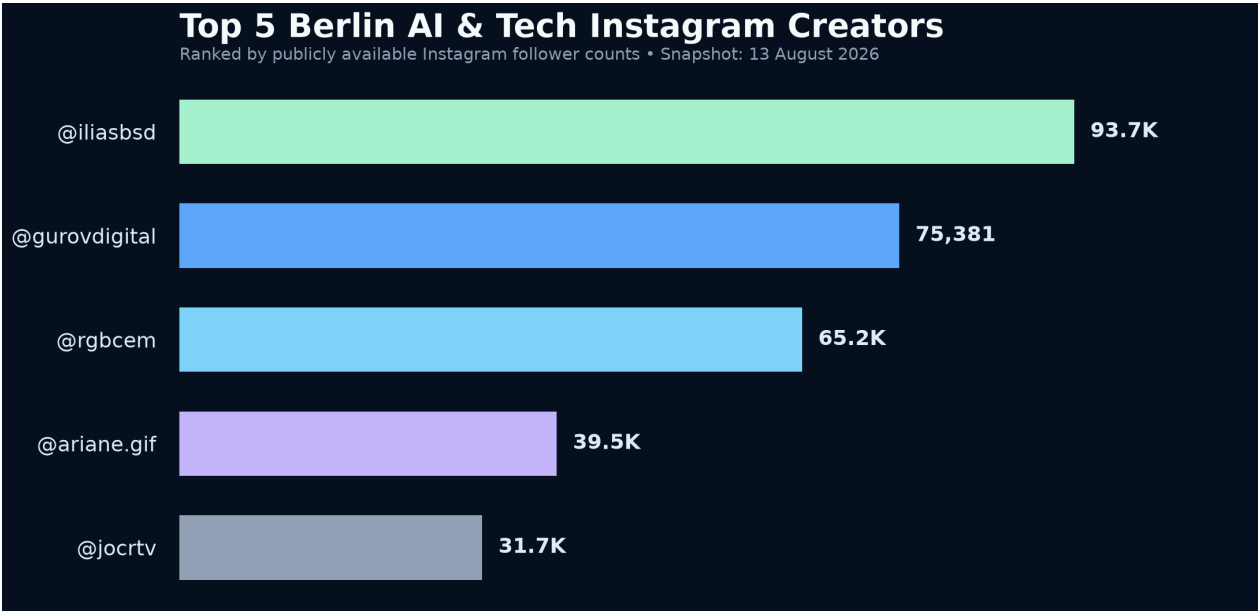

图 1 Follower ranking of the verified Berlin AI & Tech creator selection.

2 Ranking

Rank	Profile	Followers	Focus	Berlin signal
1	@iliasbsd Ilias Bousaidi	93.7K	Consumer tech	Independent creator catalogue
2	@gurovdigital Pavel Gurov	75,381	Berlin tech lifestyle	Profile name
3	@rgbcm RGBCem	65.2K	Tech & digital media	Independent creator catalogue
4	@ariane.gif Ariane Gebhardt	39.5K	AI & video education	Profile bio
5	@jocrtv JOCR	31.7K	Apple & AI news	Independent creator catalogue

3 Selection method

Public individual creator profiles were screened for clear AI or technology relevance. A Berlin connection was required either in the profile itself or through an independent creator catalogue. The final ranking uses follower counts only; it is a snapshot rather than an engagement or campaign-performance score.
